Tournament Start Formats

We offer multiple start formats to best suit your group size and scheduling needs.

Shotgun Start (120–156 golfers)

Designed for large tournaments, typically with 120 or more golfers. Two teams are assigned to every hole, with an A and B group per hole. All groups begin play simultaneously, with the A group teeing off first followed by the B group once it is safe to do so. This format allows all players to finish at roughly the same time, making it ideal for coordinated banquets, awards, and post tournament activities.

Modified Shotgun Start (80–120 golfers)

The modified shotgun follows the same simultaneous start format as a traditional shotgun but is designed for smaller fields. Two teams (A and B) are assigned only to the number of holes required, leaving gaps of empty holes to maintain proper spacing and pace of play. This format preserves the shared start and finish experience without requiring a full course.

Progressive Start (Under 80 golfers)

Ideal for smaller tournaments, a progressive start places all groups on the same starting hole at timed intervals. Groups enter the course sequentially, creating a natural flow of play. This format offers the most flexibility for booking and scheduling and does not require exclusive course access.

Rental Golf Clubs

Broadmoor offers a full range of rental golf clubs to ensure every participant is properly equipped to enjoy their round. Our inventory includes men's and women's sets as well as junior-sized clubs, with both right-handed and left-handed options available. Rental clubs can be included on the tournament's final invoice when the organizer is covering the rental cost, or individual golfers may arrange rentals directly through the Pro Shop, with our team happy to assist in coordinating needs.

- **Adult golf club rental:** \$25.00
- **Junior golf club rental:** \$15.00

Pre Tournament Golf Foundations

Help make your event more inclusive and enjoyable with Pre Tournament Golf Foundations, a relaxed, one hour session led by our golf professionals. Ideal for corporate tournaments and mixed ability groups, this pre event experience focuses on basic swing fundamentals, rules, and on course etiquette, helping participants feel more comfortable before play begins.

This session is a great way to build confidence, encourage participation, and set the tone for an enjoyable day on the course.

Beat the Pro

Always a crowd favorite, Beat the Pro is an exciting on course challenge that gives golfers the opportunity to test their skills head to head against our Head Professional and Director of Golf, Harmeet Kahlon, an accomplished Asian Tour winner.

- **Fee:** \$550 + GST per group

How it Works:

- Played on a designated par 3 hole
- Harmeet tees off first
- Each participating golfer attempts to hit closer to the pin
- Golfers who beat the Pro earn bragging rights and are entered to win four complimentary rounds of golf with cart
- If no one in the group beats the Pro, the group may choose to use the Pro's ball to complete the hole

Fundraising & Customization

- Entry fees can be structured per group or per individual
- Tournaments may set their own participation price
- All funds raised go directly back to the tournament organizer
- Broadmoor can provide staff to operate the contest, or organizers may supply a volunteer
